EDUCATION

Ph.D. in Economics, EHESS, directed by Bernard Salanié, with Highest Honors, 2000-2003
Dissertation Title : *A Theoretical, Empirical and Experimental Study of Multi-Unit Auctions*

ENSAE (National School of Statistics and Economics) as an administrator of the INSEE, 1996-1998.

Master in Mathematical Economics and Econometrics, University of Paris 1 (Sorbonne), with Highest Honors, 1996-1997.

Ecole Polytechnique, 1993-1996.

RESEARCH INTERESTS

Auctions, Contract theory, Empirical industrial organization, Structural econometrics.

RESEARCH GRANTS AND AWARDS

Fulbright Grant, 2003.

French Association of Economics Prize for the best French thesis in 2003.

PAPERS

« He Who Must Not Be Named », *Review of Economic Design* (2003), 8, 99-119.

« A Study of Consumer Behavior Using Laboratory Data », with Michael Visser, *Experimental Economics*, 2004, 7, 93-114.

« Idiosyncratic Shocks in a Asymmetric Cournot Oligopoly », with Laurent Linnemer, *International Journal of Industrial Organization*, 2004, 22-66, 835-848.

« La grenouille qui se peut faire plus grosse que le boeuf », with Laurent Linnemer, *Annales d'Economie et de Statistique*, 2004, 73, 199-225.

« The Revenue Effect of the Buyer's Option in Multi-Unit Ascending Auctions », with William Roos and Michael Visser, *Journal of Economics and Management Strategy*, 2005, 14-4, 813-847 .

« Equilibrium selection: Payoff or risk dominance? », with Laurent Linnemer, *Journal of Economic Behavior and Organization*, 2006, 60-2, 164-181.

« Buy or Wait, That is the Option », with Laurent Linnemer et Michael Visser, *Rand Journal of Economics*, 2007, 38-1, 98-118.

« Nonparametric identification and estimation of a class of common value auction models », *Journal of Applied Econometrics*, 2008, 23-7, 949-964.

WORKING PAPERS

« Econometrics of Share Auctions », with Raphaëlle Préget and Michael Visser, CREST Working Paper n° 2002-09, in second revision for *Econometrica*.

« The Provision of Wage Incentives: a Structural Estimation using Contracts Variation », with Xavier D'Haultfoeuille, resubmitted at *Econometrica*.

« Measuring consumer behavior using experimental data », with Michael Visser, in revision at *Annales d'Economie et de Statistique*.

« Life and Death and Real Estate in France: Testing for Asymmetric Information in the Viager Market », with Laurent Linnemer et Michael Visser.

« Identification of mixture models using support variations », with Xavier D'Haultfoeuille, in revision at *Econometrica*.

« Coordination in Sender-Receiver Games with no Common Language », with Francis Kramarz, CREST Working Paper n° 2000-06.

« Informed Consent versus Presumed Consent: the Role of the Family in Organ Donation », with Sebastien Gay.

PAPERS IN PROGRESS

« The nonparametric econometrics of common value model », with Xavier D'Haultfoeuille.

« Unbundling the local loop », with David Sraer.

« Do consumers correctly expect price reductions », with Lionel Wilner.

BOOK

« Exercises of Game Theory and Industrial Organization » (in French), with Laurent Linnemer, in revision for *Economica*.

TEACHING

Graduate Courses

Auction Theory, ENSAE.

Contract Theory, ENSAE.

Structural Econometrics, DEA, University of Paris I (Sorbonne).

Applied Econometrics, Ecole Polytechnique

Undergraduate Courses

Econometrics, Ecole Polytechnique

Consumer Theory, University of Chicago.

Production Theory, University of Chicago.

Industrial Organization, University of Paris V.

Econometrics, Teaching Assistant, ENSAE.

Microeconomics, Teaching Assistant, ENSAE.

Game Theory, Teaching Assistant, ENSAE.

Survey Theory, Teaching Assistant, ENSAE.

PROFESSIONAL ACTIVITIES

Seminar / Conference Organizations

(2008) Applied IO CEPR Conference (Paris), with Marc Ivaldi, Jérôme Pouyet et Thibaud Vergé.

(2002) 6th Meeting of Experimental Economics (Paris), with Laurent Linnemer and Michael Visser.

(2000) Research Seminar of the INSEE (Paris).

Research Contracts

(2009) Estimation of price elasticity in French transportations, with Xavier D'Haultfoeuille, Johan Hombert and Lionel Wilner.

(2008) Audit of an econometric model used by GDF to estimate the impact of the weather on their sales, with Xavier D'Haultfoeuille.

(2006) Estimation of the impact of internet on CD prices, with Bruno Crépon, Xavier D'Haultfoeuille and Francis Kramarz.

(2000) Study of Advertisement Time in Television, Ministry of Culture, with Laurent Linnemer and Michael Visser.

Seminar / Conference Presentations

(2010) Sciences-Po Economic seminar (Paris), Roy Seminar (Paris), ESEM (Shanghai), EARIE (Istanbul)

(2009) Econometric seminar (Warwick), Ecares Econometric Seminar (Brussels), Esem congress (Barcelona).

(2008) Econometric seminar (LSE), Workshop of the Competition Commission (London), Economics seminar (Florence), Econometric Seminar (University of Chicago), EARIE (Toulouse).

(2007) SITE (Stanford), ESEM (Budapest).

(2006) Econometric seminar (Montreal), Idei conference on auctions (Toulouse), Theoretical economics seminar (Toulouse).

(2005) CIREQ conference on auctions (Montreal), STICERD Economics of Industry Seminar (London School of Economics), Laser seminar (University of Montpellier), Research seminar of EPEE (University of Evry).

(2004) Workshop in Empirical Economics (University of Chicago), Applied Microeconomics Workshop (Yale), Applied Microeconomics Workshop (Penn State).

(2003) Finance's Seminar of Crest (Paris), Research Seminar of the INSEE (Paris), Lunch Seminar (University of Chicago).

(2002) European Meeting of the Econometric Society (Venice), European Economic Association (Venice), Research Seminar of the INSEE (Paris).

(2001) Congress of the International Statistical Institute (Seoul), Econometrics Seminar of Toulouse (Toulouse), PhD Seminar of the ADRES (Paris).

(2000) European Economic Association (Bozen-Bolzano), Meeting of Applied Microeconomics (Quebec).

Referee / Reviewer

American Economic Review, Annales d'Economie et de Statistique, Econometrica, Economie et Statistique, International Economic Review, International Journal of Game Theory, International Economic Review, International Journal of Industrial Organization, Journal of Economic Theory, Journal of Econometrics, Journal of Political Economy, Review of Economic Design, Review of Economic Studies, Revue d'Economie Politique.
